## **Little Arrows**

## Albert Hammond

As performed by Leapy Lee There's a boy, a little boy, shooting arrows in the blue And he's aiming them at someone, but the question is at who Is it me, or is it you? It's hard to tell until you're hit. But you'll know it when they hit you 'cause they hurt a little bit Here they come, pouring out of the blue Little arrows for me and for you You're falling in love again, falling in love again Little arrows in your clothing, little arrows in your hair When you're in love you'll find those little arrows everywhere Little arrows that will hit you once and hit you once again Little arrows that hit everybody every now and then (Woh-oh-oh, the pain) Some folks run, and others hide, there aint nothing they can do And some folks put on armour, but the arrows go straight through So, you see, there's no escape, so why not face it and admit That you love those little arrows when they hurt a little bit? Here they come, pouring out of the blue Little arrows for me and for you You're falling in love again, falling in love again Little arrows in your clothing, little arrows in your hair When you're in love you?ll find those little arrows everywhere Little arrows that will hit you once and hit you once again Little arrows that hit everybody every now and then Here they come, pouring out of the blue Little arrows for me and for you You're falling in love again, falling in love again Little arrows in your clothing, little arrows in your hair When you're in love you'll find those little arrows everywhere Little arrows that will hit you once and hit you once again Little arrows that hit everybody every now and then Little arrows in your clothing, little arrows in your hair When you're in love you'll find those little arrows everywhere Little arrows that will hit you once and hit you once again Little arrows that hit everybody every now and then Little arrows in your clothing, little arrows in your hair

When you're in love you'll find those little arrows everywhere...
