

Under the Christmas Tree

Albert Hammond

The warmest season of the year is here again
December is beginning to shine
Tingles come into the atmosphere again
So fine, so fine

With everybody running getting something done
So little time and so much to do
I thought I'd write a note or two of Christmas cheer
To you, to you

Don't Forget The love
Under the Christmas tree
Tonight
Put love
Under the tree

Everybody around the world
Wherever you may be
Don't Forget, The love
Under the Christmas tree

The songs I love are playing on the radio
The people that I love on the way
I'm wishing once again the world would always be
A holiday, a holiday

Don't Forget The love
Under the Christmas tree
Tonight
Put love
Under the tree

Everybody around the world
Wherever you may be
Don't Forget, The love
Under the Christmas tree

(Merry Christmas, merry Christmas)

Everybody around the world
Wherever you may be
Don't Forget, The love
Under the Christmas tree

(Merry Christmas, merry Christmas)

Don't Forget The love
Under the Christmas tree
Tonight
Put love
Under the tree

Everybody around the world
Wherever you may be
Don't Forget, The love
Under the Christmas tree
