

When I Need You

Albert Hammond

When I need you
I just close my eyes and I'm with you
And all that I so want to give you
It's only a heartbeat away

When I need love
I hold out my hands and I touch love
I never knew there was so much love
Keeping me warm night and day

Miles and miles of empty space in between us
The telephone cant take the place of your smile
But you know I won't be travelin forever
It's cold out, but hold out, and do I like I do
When I need you
I just close my eyes and I'm with you
And all that I so wanna give you babe
It's only a heartbeat away

It's not easy when the road is your driver
Honey thats a heavy load that we bear
But you know I won't be traveling a lifetime
It's cold out but hold out and do like I do
Oh, I need you

When I need love
I hold out my hands and I touch love
I never knew there was so much love
Keeping me warm night and day

When I need you
I just close my eyes
And youre right here by my side
Keeping me warm night and day

I just hold out my hands
I just hold out my hand
And I'm with you darlin
Yes, I'm with you darlin
All I wanna give you
It's only a heartbeat away
Oh I need you darling
