

## When I Need You

Albert Hammond

When I need you  
I just close my eyes and I'm with you  
And all that I so want to give you  
It's only a heartbeat away

When I need love  
I hold out my hands and I touch love  
I never knew there was so much love  
Keeping me warm night and day

Miles and miles of empty space in between us  
The telephone cant take the place of your smile  
But you know I won't be travelin forever  
It's cold out, but hold out, and do I like I do  
When I need you  
I just close my eyes and I'm with you  
And all that I so wanna give you babe  
It's only a heartbeat away

It's not easy when the road is your driver  
Honey thats a heavy load that we bear  
But you know I won't be traveling a lifetime  
It's cold out but hold out and do like I do  
Oh, I need you

When I need love  
I hold out my hands and I touch love  
I never knew there was so much love  
Keeping me warm night and day

When I need you  
I just close my eyes  
And youre right here by my side  
Keeping me warm night and day

I just hold out my hands  
I just hold out my hand  
And I'm with you darlin  
Yes, I'm with you darlin  
All I wanna give you  
It's only a heartbeat away  
Oh I need you darling
