

# Dance With The DJ (Original Edit)

Alcazar

DJ  
Ooh - aah  
Again and again  
Ooh - aah  
Again and again  
Oh my God  
Dance with the DJ

The Club Sexual on Rue de France  
A one night song - a one night stand  
On disco floors got hard core  
And choose the DJ - not the man

The record he plays like sexual waves  
I felt the music in his touch  
The look in his eyes  
The rhythm inside  
I want this night to last forever

Feel the DJ making love to me  
The deeper the groove the faster I breathe  
My body vibrating from the frequency  
Oh - dance with the DJ  
Intensity builds and I feel the rush  
The way that I scream the sound of my love  
He took me tonight on the dancefloor of the club  
Yeah - dance with the DJ

Ooh - aah  
Again and again  
Ooh - aah  
Again and again  
Oh my God  
Dance with the DJ

I know the song - I don't know his name  
I feel the signature in his sound  
The sweat reacts on my pretty face  
I fantasize how I go down

So play for me - we'll be discrete  
Noone will know noone will see  
Lost in the song we'll go all night long  
I want this night to last forever

Feel the DJ making love to me ...

Dancer and DJ becoming one  
Calling my body and I'm ready to come  
The way that I dance - you know the way I love  
Oh - dance with the DJ  
The finger on the groove making me wet  
The deeper you go the more I sweat  
He took me tonight on the dancefloor of the club  
Yeah - dance with the DJ

I want this night to last forever

I want this night to last forever  
Forever  
Forever  
Forever  
Dance with the DJ

Feel the DJ making love to me ...

Ooh - aah ...
