

# Don't Leave Me Alone

Alcazar

Leave me alone  
Can't you see I can't stop crying  
I get down on my knees  
I'll be begging you please  
Don't leave me alone  
Leave me alone  
Don't leave me alone  
Leave me alone  
Don't leave me alone  
Last night we were celebrating  
You played truth or dare  
I came out hallucinating  
And love was in the air  
We met down in clubland  
We had an affair  
We danced in the spotlight  
The fire was there  
You said I'm the only  
Then walked out of town  
I beg you please don't turn around  
Leave me alone  
Can't you see I can't stop crying  
I get down on my knees  
I'll be begging you please  
Don't leave me alone  
Leave me alone  
Can't you see I can't stop crying  
If you walk out that door  
I can't stand it no more  
Don't leave me alone  
Sitting through this courtroom drama of who did what to whome  
Stand accused of cold seduction  
The cameras ready zoom  
You said there was more  
That your love was for real  
You said you'd come back for my heartache to heal  
I stand on a bridge  
And I'm ready to fly  
This time it's my last goodbye  
Leave me alone  
Can't you see I can't stop crying  
I get down on my knees  
I'll be begging you please  
Don't leave me alone  
Leave me alone  
Can't you see I can't stop crying  
If you walk out that door I can't stand it no more  
Don't leave me alone  
Leave me alone  
Can't you see I can't stop crying  
I get down on my knees  
I'll be begging you please  
Don't leave me alone  
Leave me alone  
We met down in clubland  
We had an affair  
We danced in the spotlight

The fire was there  
You said I'm the only  
Then walked out of town  
I beg you please don't turn around  
You said there was more  
That your love was for real  
You said you'd come back  
For my heartache to heal  
I stand on a bridge  
And I'm ready to fly  
This time it's my last goodbye  
Leave me alone  
Can't you see I can't stop crying  
I get down on my knees  
I'll be begging you please  
Don't leave me alone Leave me alone  
Can't you see I can't stop crying  
If you walk out that door I can't stand it no more  
Don't leave me alone
