

Funky Feet

Alcazar

Oh, oh, I feel fine
Here with you, having a real good time
Oh, oh, you're so good
Nice to me, just like a lover should
All I need's a bit of you, ooh
A bit of boogie too, ooh
Won't you please, follow me?
Let the music set your body free
Give me that sound so sweet
Give me that dancing beat
Don't you know baby, I got funky feet?
If that music's sweet, honey I feel complete
Don't you know baby, I got funky feet?
Oh, oh, I want more
Come with me get on the dancing floor
Oh, oh, watch me now
You can learn, I'm gonna show you how
All I need is a bit of you, ooh
A bit of boogie too, ooh
Close your eyes, hear my play
Let the music carry you away
Give me that sound so sweet
Give me that dancing beat
Don't you know baby, I got funky feet?
If that music's sweet, honey I feel complete
Don't you know baby, I got funky feet?
Close your eyes, hear my play
Let the music carry you away
Give me that sound so sweet
Give me that dancing beat
Don't you know baby, I got funky feet?
If that music's sweet, honey I feel complete
Don't you know baby, I got funky feet?
