Step into the club as people stand And you can feel it in the atmosphere

Tonights the night, champagne are nice I see the passion that is in your eyes Who do Alcazar? You can be a star It's your destiny Wishing to crowd, shout and make it loud Dancing extacy I love the DJ, the DJ loves me The discs are spinning, he's looking at me I love the DJ, he's setting me free He plays my music at disco melodies I love the DJ, the DJ loves me The discs are spinning, he's looking at me I love the DJ, he's setting me free He plays my music at disco melodies When I look at you I loose control I feel your music inside my soul You turn me on, you spin me round I'm so addicted to that disco sound Who do Alcazar? You can be a star It's your destiny Wishing to crowd, shout and make it loud Dancing extacy I love the DJ, the DJ loves me The discs are spinning, he's looking at me I love the DJ, he's setting me free He plays my music at disco melodies I love the DJ Set me free I love the DJ, the DJ loves me The discs are spinning, he's looking at me I love the DJ, he's setting me free He plays my music at disco melodies I love the DJ, the DJ loves me The discs are spinning, he's looking at me I love the DJ, he's setting me free He plays my music at disco melodies I love the DJ, the DJ loves me The discs are spinning, he's looking at me I love the DJ, he's setting me free He plays my music at disco melodies
