

I'm hear to tell you that
I'm fleeting like a butterfly
There's no denying that
I always loved the high life
Never needed real emotion
I get my feelings from a magazine
I don't know where you got the notion
I'll be the one fulfilling all your needs
I'm here to tell you that
I'm fleeting like a butterfly
There's no denying that
I always loved the high life
Get physical tonight, the world's alive
Get physical in the light, this is our time
Get physical tonight, we're riding high
Get physical in the light, going out, feel alright
It's a magical night, it's a magical night
It's a magical night, it's a magical night
You can't desert me
I'm always going when I just arrived
There ain't no memories gonna hurt me
'Cause all I live for is tomorrow night
I'm here to tell you that
I'm fleeting like a butterfly
There's no denying that
I always loved the high life
Get physical tonight, the world's alive
Get physical in the light, this is our time
Get physical tonight, we're riding high
Get physical in the light, going out, feel alright
It's a magical night, it's a magical night
It's a magical night, it's a magical night
Sorry, I'm not a lady
I ain't afraid to pick a fight
I'm here to conquer the dance floor
And the limelight delight
I'm here to tell you that
I'm fleeting like a butterfly
There's no denying that
I always loved the high life
Get physical tonight, get physical in the light
Get physical tonight, get physical in the light
Going out feel alright
Get physical tonight, the world's alive
Get physical in the light, this is our time
Get physical tonight, we're riding high
Get physical in the light, going out feel alright
Get physical tonight, feel alright
Get physical in the light, going out, feel alright
It's a magical night
