

Heart To Heart

Aldo Nova

There's a girl in the street
You should see the tears in her eyes
'Cause she weeps, for a man who told her lies
And the man that she loved
Left here for somebody new
And the girl, she dreams
That if only they could've seen
Heart to heart, oh, Eye to eye
 Love is a lie
Heart to heart, oh, Eye to eye
 Love is a lie
One day he's gonna pay
There's a man down the street
You can't see the pain in his heart
And he weeps, for a love that he has lost
And the man left a love
To go and find somebody new
Like the girl in his dream
Now if they only could've seen
Heart to heart, oh, Eye to eye (A)
 Love is a lie
Heart to heart, oh, Eye to eye
 Love is a lie
One day she's gonna pay
One day she's gonna pay
(Repeat (A) till end)
