Addicted To You

Alec Empire

Doesn't matter what I believe Doesn't matter what I believe You mess me up and I want you to hear Got it right back and I want you to hear When you walk, when you talk you're so full of lies excuse me When I'm gonna die I don't care what you're like Doesn't feel like you

I'm addicted to you
I'm addicted to you
I'm addicted to you
Cos you get me through
(2x)

The first injection wasn't free Doesn't matter what I believe Doesn't matter what I believe There ain't no station It ain't no fiction what I believe It ain't no fiction what I believe Staring at New York City Missing those the ones I hate Compensate Alienation The new centre of my renewed faith is too late

I want you to hear You mess me up and I want you to hear Doesn't matter what I believe Doesn't matter what I believe

I'm addicted to you (3x)
