

I'm Sorry

Alela Diane

Oh, I want to say
I'm sorry
I didn't mean to play
Such a sad song

It's clearly about you
It's clearly about you

And I want to say
I'm sorry
For making you recall
What is now gone

And I want to say
I'm sorry
For making you recall
What is now gone

And I want to say
I'm sorry
For this tune has become
A sad song

It's clearly about you
It's clearly about you
And I'm sorry
