

Circle VII: Sins of the Lion

Alesana

All the violence...

The ocean beckons with its gaze
Pulling me beneath the waves
The fury I search is now gone

All the violence...

It's calling at my burning skin
Till I wash away the sin
It's washed away
Am I the first to be fooled by
Your dirty little trick?
I guess I should have seen this coming
I will not forget, I will not forget
It's washed away

I'm the one who has to swallow water
That's what I get for chasing after (you)
You should be hanging by your neck
Swinging there silently

I can't stop the bleeding
Tell me that you want me (if you need me)
Tell me that you love me (if you want me)
Your dying eyes tell a story of poisonous passion
Tell me that you want me (do you want me?)
Tell me do you want me (do you love me?)

It is quite clear you despise me
By showing your face here
And you never even told me

Why you disappeared
Why you disappeared
It's washed away

I'm the one who has to swallow water
That's what I get for chasing after (you)
You should be hanging by your neck
Swinging there silently

I can't stop the bleeding
Tell me that you want me (if you need me)
Tell me that you love me (if you want me)
Your dying eyes tell a story of poisonous passion
Tell me that you want me (do you want me?)
Tell me do you want me (do you love me?)

Why won't you be quiet now? (5x)
It's time to see what's left of me

I can't stop the bleeding
Tell me that you want me (if you need me)
Tell me that you love me (if you want me)
Your dying eyes tell a story of poisonous passion
Tell me that you want me (do you want me?)

Tell me do you want me (do you love me?)

You will be sorry when
He spills the blood from your throat
You'll be torn limb from limb
Tramp!

You'll be torn limb from limb
