

# Fired Up

Alesha Dixon

Fire it up  
Are you ready? (Fired up)  
So get funky (Fired up)  
Whooo  
Uh, yeah  
Hey  
Mmm, yeah  
Uhh

If I write you a letter  
Inviting you to come on to me  
Yeah, yeah, yeah, yeah (Woo, oo, oo, ooh)  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah (Yeah, uh)  
Then you that you'd better  
Come knock, knock, knockin' ASAP  
Yeah, yeah, yeah, yeah (Uh, come on)  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah (Hey)  
If I sing you a song  
About how I want you to hold me tonight...  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah (Yeah, uh)  
So you shouldn't take too long  
And on your way round here  
Think about what I like

Yeah, yeah, yeah, yeah, yeah (Ooh)

Once we get into the swing  
Oh, baby don't need a thing  
Oh, baby we got everything  
Oh, baby now won't you take me up again

I don't know about yo  
But I'm ready to go  
Gonna rock this show  
Come and get me fired up (Fired up)  
(Fired up) Gonna get me fired up now  
So give me all you got  
I'll give you all I got  
Get it while it's hot  
Come and get me fired up (Fire it up)

If I show you my bedroom  
Then you'd better be prepared to work out  
Yeah, yeah, yeah, yeah (Whoah, oh, oh, ohh)  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah (Yeah)  
Let me tell ya that I'm comin' for ya soon  
Then I'ma show ya, I'm gon' show what it's all about yeah, yeah  
Yeah, yeah, yeah, yeah (Yeah)  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah (Yeah)

Once we get into the swing  
Oh, baby don't need a thing  
Oh, baby we got everything  
Oh, baby now won't you take me up again, yeah

I don't know about yo

But I'm ready to go  
We're gonna rock this show  
Come and get me fired up (Fired it up now)  
(Fired up) Fire it up now  
So give me all you got  
I'll give you all I got  
Get it while it's hot  
Come and get me fired up (Fired up, fired up...)

A force too strong to fight  
It's alright  
Ain't nothing wrong  
With a little bit of hanky panky

Now every single day's got it's share of temptation  
So whatever you want you've got to curb the frustration  
Tell me do you want a little piece of the pie?  
Want a little bit of fire in your life?  
Hop, skip and jump now  
Your body's gettin' pumped up  
Can you fire it up  
The system's gettin' turned up  
I'll make you float like a bird in the sky  
I wanna see you melt down on this

Baby don't need a, baby don't need a thing...  
Baby don't need a, baby don't need a thing...  
Fired up, take me up again

I don't know about yo  
But I'm ready to go  
Gonna rock this show  
Come and get me fired up (Fired up now)  
(Fired up) Ooh, we get you fired up  
So give me all you got  
I'll give you all I got  
So get it while it's hot  
Come and get me fired up (Fired up, fired up...)

Hey, hey, hey, gonna rock this show come on  
Fired up, fired up (Hey, I'm fired up now, I'm gonna get you fired up now)  
Hey, get it while it's hot  
Fired up, fired up  
So come and get me, so come and get me get me come and get me fired up
