

Ting-a-Ling

Alesha Dixon

Drop it drop it All of the men Don't stop it stop it All of the
girls just Rock it rock it All of the people You love it love
it

So put it in context get dressed No time for worrying all stres
sed Any more bills so tell me what's next Since she talkin' bou
t just rest Don't you wanna get down Wanna hear the beat every
part of town All you gotta do now Was comin' over here and vibe
this song

Ting a ling a ling ??? I'm gonna show you how to bounce it Just
follow the rhythm feel in your soul Where you been how you doi
ng I'm gon' show you how to bounce it Just follow the rhythm fe
ll in your soul

I said hard core steppin'out roar Turning out ??? licious hit t
he dance floor Who then under water Feel like you're floating o
n the pretty big chair Can you get up now Take a breath in then
breathe out One two what you gon' do Takin' another sip and se
e what you dive into

Do you want to know how low can you go We want to know how low
can you go Alesha wants to know how low can you go She wants to
know how low can you go

Do you want to know how low can you go We want to know how low
can you go Alesha wants to know how low can you go She wants to
know how low can you go Do you want to know how low can you go
We want to know how low can you go Alesha wants to know how lo
w can you go She wants to know how low can you go.
