

A Little More

Alessia Cara

There you are with your college friends
You play in their marching band
I can't help but wish I knew you then
But I, guess I know you now
It looks as if I stumbled right into the palm of your hands

Hey you
Hey Mister knock on my door
I'm sorry that I've been emotions galore
Am I crazy for wanting a little bit more?
A little more of you
A little more, a little more of you
This feeling is hard to ignore
Please say you'll never get bored
Can you blame me for wanting a little bit more?
A little more of you
A little more, a little more of you

Say that it's the same
Take a drill right to my brain
More than it did just yesterday
I guess I get it now
It looks as if I stumbled right into the palm of your hands

Hey you
Hey Mister knock on my door
I'm sorry that I've been emotions galore
Am I crazy for wanting a little bit more?
A little more of you
A little more, a little more of you
This feeling is hard to ignore
Please say you'll never get bored
Can you blame me for wanting a little bit more?
A little more of you
A little more, a little more of you

Yeah yeah, yeah yeah yeah
Ooh
Yeah yeah, yeah yeah yeah
Ooh
Yeah yeah, yeah yeah yeah
Ooh
Yeah yeah, yeah yeah yeah
A little more of you
A little more, a little more of you
