

# Overdose

Alessia Cara

Oh and I overdose  
Boy I want off this rollercoaster  
You take me high just to bring me down  
Oh, and you bring me down, down

I'm trying not to take too much  
I'm in over my head  
Over love, boy I over trust  
Give me the chance to pick up the pieces you left me in  
Why did I let you in?  
Overzealous, I'm over this  
Oh I'm over us  
Over and over  
I let you under my skin and it's over  
I promise never again you'd come over  
Something takes over me  
I can't control this hallucinogen

Oh and I overdose  
Boy I want off this rollercoaster  
You take me high just to bring me down  
Oh, and you bring me down

We fight, we laugh  
Detox, rehab  
Letting go of what we had  
Ohh, ooh ooh ooh ooh  
Over trying  
Over lies  
Over crying  
Over-traumatized  
Over-worked and moreover I'm done  
Over and over  
I'm falling under your spell, call me over  
I'm runnin' back to this hell you come over  
And didn't you say we were through?  
Why can't I get over you?

Oh and I overdose  
Boy I want off this rollercoaster  
You take me high just to bring me down  
Oh, and you bring me down

Boy I come crashing, crashing  
Down from the high and wondering, wondering  
Wondering why this ain't over  
Let it just be over  
Sobering thoughts taking over my mind

Oh and I overdose  
Boy I want off this rollercoaster  
You take me high just to bring me down  
Oh, and you bring me down  
Oh and I overdose  
Boy I want off this rollercoaster  
You take me high just to bring me down  
Oh, and you bring me down
