

# Wild Things

Alessia Cara

To me where the wild things are is a place that exists in our minds  
It's a place of liberty and shamelessness  
It can take a split second or a lifetime to find it  
But once you do, you'll be free

Find table spaces  
Say your social graces  
Bow your head, they're pious here  
But you and I, we're pioneers  
We make our own rules  
Our own room, no bias here  
Let 'em sell what they are sellin'  
There are no buyers here

So gather all the rebels now  
We'll rebel rouse and sing aloud  
We don't care what they say, no way, no way  
And we will leave the empty  
Chairs to those who say we can't sit there  
We're fine all by ourselves

So aye (aye), we brought our drum and this is how we dance  
No mistakin', we make our breaks  
If you don't like our 808s  
Then leave us alone, 'cause we don't need your policies  
We have no apologies for being

Find me where the wild things are  
Oh, my, we'll be alright  
Don't mind us, yeah  
Find me where the wild things are  
Oh, my, we'll be just fine  
Don't mind us, yeah  
Find me where the wild things are

I lose my balance on these eggshells  
You tell me to tread  
I'd rather be a wild one instead  
Don't wanna hang around the in crowd  
The cool kids aren't cool to me  
They're not cooler than we are

So aye (aye), we brought our drum and this is how we dance  
No mistakin', we make our breaks  
If you don't like our 808s  
Then leave us alone, 'cause we don't need your policies  
We have no apologies for being

Find me where the wild things are  
Oh, my, we'll be alright  
Don't mind us, yeah  
Find me where the wild things are  
Oh, my, we'll be just fine  
Don't mind us, yeah

We will carve our place into time and space  
We will find our way, or we'll make a way, say hey, hey, hey

Find you're great, don't you hide your face  
And let it shine, shine, shine, shine, shine, shine

So aye (aye), we brought our drum and this is how we dance  
No mistakin', we make our breaks  
If you don't like our 808s  
Then leave us alone, 'cause we don't need your policies  
We have no apologies for being

Find me where the wild things are  
Oh, my, we'll be alright  
Don't mind us, yeah  
Find me where the wild things are  
Oh, my, we'll be just fine  
Don't mind us, yeah  
Find me where the wild things are

There's a wild thing that exists in all of us  
It lives in our passions, in the people we love, in our subconscious thoughts, our beliefs  
It's even made a home in the darkest parts of us  
But we can't be scared of it  
We have to become it
