

Rum

Alestorm

the time has come
the time for a drink
but I don't want whiskey or gin
there's only one drink
that gets me so drunk
until my head starts to spin

far to the west
under tropical sun
this mystical drink is brewed
on our mission to get totally drunk
we have got nothing to lose

Rum is the power
Rum is the key
Rum is the thing that sets us free

Rum rum rum yarr
rum rum ahoy
rum rum rum yarr
rum rum gimme more rum

Rum rum rum yarr
rum rum ahoy
rum rum rum yarr
rum rum ya har har

the time has come
the time for a drink
but I dont want vodka or mead
none of these drinks will quench my thirst
rum is the drink I need

questing the oceans and questing the seas
searching for ultimate booze
on our mission to get totally drunk
we have got nothing to loose

Rum is the power
Rum is the key
Rum is the thing that sets us free

Rum rum rum yarr
rum rum ahoy
rum rum rum yarr
rum rum gimme more rum

Rum rum rum yarr
rum rum ahoy
rum rum rum yarr
rum rum

Rum rum rum yarr
rum rum ahoy
rum rum rum yarr
rum rum gimme more rum

Rum rum rum yarr
rum rum ahoy
rum rum rum yarr
