

# Tonight

Alex Band

Well the sky broke in two,  
I Found you dancing alone.  
And the room filled up with you,  
And that song we both know.

That's when u caught me with your eyes  
Send seivers down my spine  
Then you whispered in my ear  
You said I could feel it too  
And then you pulled me into you

Tonight,  
I got you where I want you.  
Closer I can tell you anything,  
You're the song that I sing.

Tonight,  
Let the music take us over.  
We'll fall into forever, all is right,  
Cause I got you where I want you.

Tonight  
Tonight

Through all of science and history,  
Well nothing ever stuck with me  
But now I am locked onto you and I m holding onto  
The only thing I know  
And now I am never letting u go  
Tonight,  
I got you where I want you.  
Closer I can tell you anything,  
You're the song that I sing.

Tonight,  
Let the music take us over.  
We'll fall into forever, all is right,  
Cause I got you where I want you.

Tonight,  
Tonight,  
The whole world could fall away,  
But You and I, no we won't be afraid.

Tonight,

I got you where I want you,  
Closer I can tell you anything.

Tonight,

Let the music take us over,

We'll fall into forever, all is right  
Cause I got you where I want you,  
Tonight
