

# Will Not Back Down

Alex Band

I let you down but I'll make it up to you somehow  
In time you'll see it's true if my will is strong  
And I know that as these days go on  
You'll find I'll get to you if it's the last thing that I do

Every step you take, I'll be a second behind  
Every move you make, I'll be the thorn in your side  
And know you can't fight this now  
I will not back down

I'm the sky, the stars, the moon, the setting sun  
I'm the feeling inside you when you're coming undone  
You know you can't fight this now  
I will not back down

Some say I'm cruel  
But nobody knows what I feel for you  
My love, you're the only one, yeah  
Do you understand?

I can't let you slip right through my hands  
No, my love, don't try and run  
See in my eyes, you and I are one

Every step you take, I'll be a second behind  
Every move you make, I'll be the thorn in your side  
And know you can't fight this now  
I will not back down

I'm the sky, the stars, the moon, the setting sun  
I'm the feeling inside you when you're coming undone  
You know you can't fight this now  
I will not back down, oh, will not back down

Every step you take, I'll be a second behind  
Every move you make, I'll be the thorn in your side  
And know you can't fight this now  
Oh

Yeah, ooh, every step you take, I'll be a second behind  
Every move you make, I'll be the thorn in your side  
And know you can't fight this now  
I will not back down

I'm the sky, the stars, the moon, the setting sun  
I'm the feeling inside you when you're coming undone  
You know you can't fight this now  
I will not back down  
No, I will not back down  
No, I will not back down
