

In My Life

Alex Baroni

There are places i remember all my life,
though some have have changed
some forever, not for better
some have gone, and some remain.
all these places had their moments
with lovers and friends, i still can recall.
some are dead and some are living.
in my life, i've loved them all.
but of all these friends and lovers,
there is no one, compares with you,
and these mem'ries lost their meaning
when i think of love as something new.
though i known i'll never lose affection
for people and things, that went before,
i know i'll often stop and think about them,
in my life, i love you more.
though i known i'll never lose affection
for people and things, that went before,
i know i'll often stop and think about them,
in my life, i love you more.
in my life, i love you more
