

Amigos Forever

Alex C

Yeah, we are on the run
looking for the sun
we are side by side
go in on a ride
we're ready to fly.
Yeah, we are on the move
looking really smooth
we are face to face
go in on a chaice, forever again.

Amigos forever and ever we will be
forever you and me, amigos
(por siempre amigos)
Amigos forever and ever we will be
forever you and me, amigos, amigos
(por siempre)

Yeah, we are on the run
looking for the sun
we are face to face
go in on a chaice
forever again.

Amigos forever and ever we will be
forever you and me, amigos
Amigos forever and ever we will be
forever you and me, amigos
amigos (amigos por siempre)

(ariba amigos)
Amigos forever and ever we will be
forever you and me, amigos (ariba amigos)
Amigos forever and ever we will be
forever you and me, amigos (por siempre)
