

# Humming Bird

Alex Clare

Take what you need, and leave the rest,  
No I don't mind, no I don't mind,  
I'll get this off my chest,  
There's nowhere else I'd rather be.

Come flying in, and then again,  
I'm not here long enough to pretend that I seem so well,  
There's nowhere else you'd rather be.

Like a hummingbird in flight you are,  
Hovering, hovering 'round me,  
And I move near, you fly away.  
Like a hummingbird in flight you are,  
Hovering, hovering near me,  
As I move near, you fly away.

Don't fly away (3x)

What can I say, you have to wait,  
You find it hard to say and to articulate,  
I know there's nowhere else you'd rather be.

It seems so clear, I know we're through,  
Yet all I wanna do is make love to you,  
I know there's nowhere else you'd rather be.

Like a hummingbird in flight you are,  
Hovering, hovering near me,  
As I move near, you fly away.  
Like a hummingbird in flight you are,  
Hovering, hovering near me,  
As I move near, you fly away.

Don't fly away (5x)

Buzzing around my head, things you have done,  
The words you have said.  
Remember me, after you've left,  
I'll try but I can't forget.

Like a hummingbird in flight you are,  
Hovering, hovering 'round me,  
As I move near, you fly away.  
Like a hummingbird in flight you are,  
Hovering, hovering 'round me,  
As I move near, you fly away.

Don't fly away (5x)
