

# I Love You

Alex Clare

Though I left you there sleeping  
No I dare not say a word  
Silently weeping  
Knowing what I heard  
What can I say  
I was never good with words  
My tongue always got it wrong  
Hoping that you knew all along  
I love you, I love you (2x)

Hell I've done all I can  
How else can I get this through  
I know you're someone else's  
And I'm sure he needs you  
When I'm laying in my bed  
I can say what's on my mind  
Let my actions be my words  
I'm sure that you heard  
I love you, I love you (2x)

I love you, I love you  
I love you, I love you
