

I Won't Let You Down

Alex Clare

Just another grey autumn day
You're the sunshine trying to break through
No I never imagine that my path would lead to you
A look in your eyes as they met mine
Seem to say we're the same
In so many ways
Though we're worlds apart
I will promise you

I won't let you down
No I won't let you down

There are so many reasons to keep us apart
But it won't stop me losing
My mind or my heart
What would I give
To touch your hand
Oh just feel your skin
I'd breathe you in
Could this ever be
You'll be next to me

No I won't let you down
No I won't let you down

I know myself so well
But I've never been here before
You're just out of my reach
But I will be here
Of that you can be sure
Can be sure

It's another grey autumn day
You're the sunshine trying to break through
I can only imagine that I'm walking with you
I realise if you were mine
We may fall apart
Oh you'd have my heart
There's too many things between you and me

No I won't let you down
No I won't let you down
No I won't I won't let you down
No I won't let you down
No I won't I won't let you down
No I won't I won't let you down
No I won't I won't let you down
No I won't let you down
