

Not In Vain

Alex Clare

These hearts pushed around too long
Been the reason for a thousand songs
Oh, no why does this ache carry on?
Young bones feeling way too tired,
Been traveling for a long is ??
Time, did I carry on?
No it's not in vain
When you feel the pain,
Hope is not in vain

When the worlds crumbles at your feet
Hanging your way down in defeat,
Just push through!
Times pushed through!
Being drifted down without a home
Going back and forth dragging my bones
Got to keep pushing on,
No it's not in vain
When you feel the pain
Hope is not in vain
Hope is not in vain
