

## Too Close

Alex Clare

You know I'm not one to break promises  
I don't want to hurt you but I need to breathe  
At the end of it all, you're still my best friend  
But there's something inside that I need to release  
Which way is right, which way is wrong  
How do I say that I need to move on  
You know we're headed separate ways

And it feels like I am just too close to love you  
There's nothing I can really say  
I can't lie no more, I can't hide no more  
Got to be true to myself  
And it feels like I am just too close to love you  
So I'll be on my way

You've given me more than I can return  
Yet there's so much that you deserve  
Nothing to say, nothing to do,  
I've nothing to give  
I must leave without you  
You know we're headed separate ways

And it feels like I am just too close to love you  
There's nothing I can really say  
I can't lie no more, I can't hide no more  
Got to be true to myself  
And it feels like I am just too close to love you  
So I'll be on my way

So I'll be on my way

And it feels like I am just too close to love you  
There's nothing that I can really say  
I can't lie no more, I can't hide no more  
Got to be true to myself  
And it feels like I am just too close to love you  
So I'll be on my way

So I'll be on my way  
So I'll be on my way
