Too Close

You know I'm not one to break promises I don't want to hurt you but I need to breathe At the end of it all, you're still my best friend But there's something inside that I need to release Which way is right, which way is wrong How do I say that I need to move on You know we're headed separate ways

And it feels like I am just too close to love you There's nothing I can really say I can't lie no more, I can't hide no more Got to be true to myself And it feels like I am just too close to love you So I'll be on my way

You"ve given me more than I can return Yet there's so much that you deserve Nothing to say, nothing to do, I've nothing to give I must leave without you You know we're headed separate ways

And it feels like I am just too close to love you There's nothing I can really say I can't lie no more, I can't hide no more Got to be true to myself And it feels like I am just too close to love you So I'll be on my way

So I'll be on my way

And it feels like I am just too close to love you There's nothing that I can really say I can't lie no more, I can't hide no more Got to be true to myself And it feels like I am just too close to love you So I'll be on my way

So I'll be on my way So I'll be on my way
