

# She Walks Right Through Me

Alex Day

I met this girl from the other side  
All kind of pale, dressed in black and white.  
She's not the same,  
quite different from any other girlfriend  
I've had.

It's like, her touch, it's invisible  
Can't get enough, she's sensational  
When she slips in my room,  
Then I know I'm on a good thing, not bad.

When I'm alone she appears from no-where  
It's so surreal, makes me feel I wanna care.

I love it when she walks right though me  
I wanna feel her cold touch on my skin  
She doesn't mind if I can't see her tonight  
Yeah, I know I'm alright.

Her complexion, it's timeless  
She's like a gothic lady princess.  
I never thought I'd be with a supernatural kind of girl  
Like her.

When I'm alone she appears from no-where  
It's so surreal, makes me feel I wanna care.

(x2)

I love it when she walks right though me  
I wanna feel her cold touch on my skin  
She doesn't mind if I can't see her tonight

Yeah, I know I'm alright.

I ain't getting no sleep  
Situation's unique  
This girl, she's so incredible  
When she takes off her clothes  
Then I know that it's only me that knows.

(x2)

I love it when she walks right though me  
I wanna feel her cold touch on my skin  
She doesn't mind if I can't see her tonight

I love it when she walks right through me.
