She Walks Right Through Me

I met this girl from the other side All kind of pale, dressed in black and white. She's not the same, quite different from any other girlfriend I've had.

It's like, her touch, it's invisible Can't get enough, she's sensational When she slips in my room, Then I know I'm on a good thing, not bad.

When I'm alone she appears from no-where It's so surreal, makes me feel I wanna care.

I love it when she walks right though me I wanna feel her cold touch on my skin She doesn't mind if I can't see her tonight Yeah, I know I'm alright.

Her complexion, it's timeless She's like a gothic lady princess. I never thought I'd be with a supernatural kind of girl Like her.

When I'm alone she appears from no-where It's so surreal, makes me feel I wanna care.

(x2)
I love it when she walks right though me
I wanna feel her cold touch on my skin
She doesn't mind if I can't see her tonight

Yeah, I know I'm alright.

I ain't getting no sleep Situation's unique This girl, she's so incredible When she takes off her clothes Then I know that it's only me that knows.

(x2)
I love it when she walks right though me
I wanna feel her cold touch on my skin
She doesn't mind if I can't see her tonight

I love it when she walks right through me.
