

# Waiting To Be Found

Alex Goot

I can easily like you and say  
That I don't like her  
But that's exactly how it feels  
To be hurt  
Nothing ever seems to go the right way  
Now nothing ever seems fair  
Everything is the same nothing's changed  
But my hair

I wanna know how it feels to love again  
I wanna know right now  
I wanna feel you in my arms  
I'm waiting to be found (waiting to be found)  
Waiting to be found (Waiting to be found)  
I'm waiting to be found  
By someone new

La da da dap da da da da da  
La da da dap da da

As I'm wondering through my head again  
I can never really tell  
Am I dreaming or is all of this real  
Lots of people like to tell me where to go  
What to do and what to say  
I help myself to all the advice that helps me

I wanna know how it feels to love again  
I wanna know right now  
I wanna feel you in my arms  
I'm waiting to be found (Waiting to be found)  
Waiting to be found (Waiting to be found)  
I'm waiting to be found  
By someone new

Yeah  
Waiting to be found by someone new  
By someone new  
Yeah  
I'm waiting to be found by someone new  
I'm waiting  
But know one new is finding me

I wanna know how it feels to love again  
I wanna know right now  
I wanna feel you in my arms  
I'm waiting to be found  
I'm waiting to be found

I wanna know how it feels to love again  
I wanna know right now  
I wana feel you in my arms  
I'm waiting to be found (Waiting to be found)  
Waiting to be found (Waiting to be found)  
I'm waiting to be found by someone new

La da da dap da da da da da

La da da dap da da  
La da da dap da da da da da  
Waiting to be found  
By someone new
