

# Love to Love you

Alex Hepburn

Sometimes it's hard to breathe  
When I look into your eyes I just can't believe  
That you're mine all mind and soul  
My home is where my heart is  
And where I belong

No tears in the poring rain  
Every rise is like a bright sunny day

Did I did I did I  
Ever tell you  
That I love to love you  
That I love to love you

Did I did I did I  
Ever tell you  
There's no one above you  
Won't you let me  
Won't you let me  
Cause I love to love you

And when you're holding me  
For every kiss I miss  
I skip a heart beat  
And there ain't nothing  
Nothing that I won't do  
To save this feeling I'm so lost in you

No tears in the poring rain  
Every rise is like a bright sunny day

Did I did I did I  
Ever tell you  
That I love to love you  
That I love to love you

Did I did I did I  
Ever tell you  
There's no one above you  
Won't you let me  
Won't you let me  
Cause I love to love you

So don't go giving up  
No matter what you do  
Cause I feel for you honey  
Yes I feel for you baby  
Don't go giving up  
No matter how hard it gets  
Cause I'll never leave you  
Baby I just need you to know

Did I did I did I  
Ever tell you  
That I love to love you  
Won't you let me love you

Did I did I did I  
Ever tell you  
There's no one above you  
Won't you let me  
Won't you let me  
Cause I love to love you
