

Stop Fucking Around

Alex Hepburn

Damn, I'd like to lick your face.
Smudge some lipstick if you wanna taste.
Boy, I'll make you misbehave.
Focus your attention, there ain't no time to waste.

I'm caught, I ain't addicted, oh,
Well I don't know.
God, you're just so pretty.
Skin-tight jeans and built like Ferrari,
I want my name tattooed on your body.

Stop f*cking around!
Don't you t-t-t-tease me.
I'm watching you now, checking me out.
You're burning out as the temperature's peaking.
I'm watching you now, checking me out.

Damn, you play a dangerous game.
Don't take your time, 'cause I don't like to wait.
I'm disconnected, yeah you left it too late.
Oops I did it, I did it again.

Just say I'm caught, I ain't addicted, oh,
Well I don't know.
God, you're just so pretty.
Skin-tight jeans and built like Ferrari,
Now you want your name o-o-on my body.

Stop f*cking around!
Don't you t-t-t-tease me.
I'm watching you now, checking me out.
You're burning out as the temperature's peaking.
I'm watching you now, checking me out.
(Stop f*cking around!)

Stop now 'cause I know you're just teasing.
I'm watching you now, checking me out.
You're burning out as the temperature's peaking.
I'm watching you now, checking me out.

Voice so fine, I could kill it if you let me.
What I got in mind's gonna get us both arrested.
Don't waste my time, you be careful, you're selected.
Skin-tight jeans and built like Ferrari,
I want my name tattooed on your body.

I'm just f*cking around!
I'm just t-t-t-teasing.
I'm watching you now, checking me out.
You're burning out as the temperature's peaking.
I'm watching you now, checking me out.
(Stop f*cking around!

Damn, I might just think that you're crazy)

I'm watching you now, checking me out.
(Damn, you play a dangerous game)

I'm watching you now, checking me out.
(Stop f*cking around!

Damn, I might just think that you're crazy)

I'm watching you now, checking me out.
(Damn, you play a dangerous game)
I'm watching you now, checking me out.
