R: Don't bury me
   Don't let me down
   Don't say it's over
   Cause that would send me under
   Underneath the ground
   Don't say those words
   I wanna live and your words can murder
   Only you can send me under, under, under
1. I die every time you walk away
   Don't leave me alone with me
   See, I'm afraid
   Of the darkness and my demons
   And the voices, sayin' nothing's gonna be okay,
   I feel it in my heart, soul, mind that I'm losing
  You, me, you're abusing
   Every reason I have left to live.
R:
2. Lost trust, 21 grams of soul
   All the sanity I've ever owned... gone
  But I'm still breathing
   Through the thunder, and the fire, and the madness
   Just to let you shoot me down again
   But I'm still breathing
   I feel it in my veins, skin, bones that I'm losing
  You, me, you're confusing
   Every reason that I've left to live
R:
   Chasing you but you don't look back
   Words I threw that I can't take back
   Reaching out but I can't hold on to you, no
   Chasing you but you don't look back
  Words I threw that I can't take back
  Reaching out but I can't hold on to you
   Oh, only you can send me under, yeah.

Under...
