

Nobody to Love

Alex Newell

I know you're tired
Of lovin', of lovin'
With nobody to love
Nobody, nobody

So just grab somebody
No leavin' this party
With nobody to love
Nobody, nobody to love
I know you're tired
Of lovin', of lovin'
With nobody to love
Nobody, nobody

So just grab somebody
No leavin' this party
With nobody to love
Nobody, nobody

I know you're tired
Of lovin', of lovin'
With nobody to love
Nobody, nobody

So just grab somebody
No leavin' this party
With nobody to love
Nobody, nobody to love

Nobody to love

I know you're tired
Of lovin', of lovin'
With nobody to love
Nobody, nobody

So just grab somebody
No leavin' this party
With nobody to love
Nobody, nobody

I know you're tired
Of lovin', of lovin'
With nobody to love
Nobody, nobody

So just grab somebody
No leavin' this party
With nobody to love
Nobody, yeah

Nobody to love

I know you're tired
Of lovin', of lovin'
With nobody to love
Nobody, nobody

So just grab somebody
No leavin' this party
With nobody to love
Nobody, nobody

I know you're tired
Of lovin', of lovin'
With nobody to love
Nobody, nobody

So just grab somebody
No leavin' this party
With nobody to love
Nobody, nobody, yeah
