

# Hiding Tonight

Alex Turner

Tomorrow I'll be quicker  
I'll stare into the strobe light flicker  
And afloat I'll stay  
But I'm quite alright hiding today

Tomorrow I'll be faster  
I'll catch what I've been chasing after  
And have time to play  
But I'm quite alright hiding today

And I will play the coconut shy  
And win a prize even if it's rigged  
I won't know when to stop  
And you can leave off my lid, and I won't even lose my fizz  
I'll be the polka dots type  
I'll know the way back, if you know the way  
But if you are, I am quite alright, hiding today

Tomorrow I'll be stronger, running colorful  
No longer just in black and white  
And I'm quite alright hiding tonight

And I will have a game on the coconut shy  
And win a prize even if it's rigged  
I won't know when to stop  
And you can leave off my lid, and I won't even lose my fizz  
I'll be the polka dots type

I'll probably swim through a few lagoons  
I'll have a spring in my step  
And I'll get there soon  
To sing you a happy tune, tomorrow

And you better bring a change of clothes  
So we can sail our laughing pianos along a beam of light  
But I'm quite alright  
Hiding tonight
