

# Abandoned

Alexander Rybak

Sleepless in the night  
I try to lose my faith in you  
Saying to myself,  
"You can't be the right one for me"

And now that you are gone  
I finally get a taste of freedom  
Only problem is:  
I don't really want to be free

I don't wanna be abandoned  
I don't want to curse your name  
I don't wanna feel the sadness  
Pretending that I'm still the same

I don't want to burn your letters  
I don't want to face the truth  
I don't wanna be abandoned  
I don't wanna waste my youth

You tried to suffocate with your pretence  
And I believed in this shallow romance  
I ran for cover but I couldn't hide  
And still you tried to get me to abide

You scratched me like a perfume ad  
Erasing all the feelings that I had  
And all the time you faked this loneliness  
Cause you wouldn't see my twisted mess

I don't wanna be abandoned  
I don't want to curse your name  
I don't wanna feel the sadness  
Pretending that I'm still the same

I don't want to burn your letters  
I don't want to face the truth  
I don't wanna be abandoned  
I don't wanna waste my youth
