

## Baby It's Cold Outside

Alexander Rybak

I really can't stay - But baby it's cold outside  
I've got to go away - Baby it's cold outside  
This evening has been - Been hoping that you'd drop in  
So very nice - I'll hold your hands, they're just like ice  
My mother will start to worry - Beautiful, what's your hurry  
My father will be pacing the floor - Listen to the fireplace roar  
So really I'd better scurry - Beautiful, please don't worry  
Well maybe just a half a drink more - Put some music on while I pour

The neighbors might think - Baby, it's bad out there  
Say, what's in this drink - No cabs to be had out there  
I wish I knew how - Your eyes are like starlight  
To break the spell - I'll take your hat, your hair looks swell  
I ought to say no, no, no, sir - Mind if I move closer  
At least I'm gonna say that I tried - What's the sense in hurting my pride?  
I really can't stay - Baby don't hold out  
Oh baby, it's cold outside

I simply must go - But baby, it's cold outside  
The answer is no - But baby, it's cold out there  
This welcome has been - I'm lucky that you dropped in  
So nice and warm - Look out the window at that storm  
My sister will be suspicious - Got, your lips look delicious  
My brother will be there at the door - Waves upon a tropical shore  
My maiden aunt's mind is vicious - Gosh your lips are delicious  
But maybe just a cigarette more - Never such a blizzard before

I've got to go home - Oh, baby, you'll freeze out there  
Say, lend me your coat - It's up to your knees out there  
You've really been grand - I thrill when you touch my hand  
But don't you see - How can you do this thing to me?  
There's bound to be talk tomorrow - Think of my life long sorrow  
At least there will be plenty implied - If you caught pneumonia and died  
I really can't stay - Get over that hold out  
Baby it's cold outside
