

# Disney Girls

Alexander Rybak

Clearing skies and drying eyes,  
now I see your smile.  
Darkness goes and softness shows,  
a changing style.

Just in time, words that rhyme,  
well bless your soul.  
Now I'll feel your hands,  
with kisses and a Tootsie Roll.

Reality is not for me,  
and it makes me laugh.  
Oh, fantasy world and Disney girls,  
I'm coming back.

Patti Page and summer days,  
on old Cape Cod.  
Happy times, making wine,  
in my garage.  
Country shade and lemonade,  
guess I'm slowing down.  
It's a turned back world,  
with a local girl,  
in a smaller town.

Open cars and clearest stars,  
that's what I've lacked.  
But fantasy world and Disney girls,  
I'm coming back.

Love.  
Hi Cindy, hello dad,  
good morning mom.  
Love, get up guess what.  
I'm in love with a girl I found,  
She's really swell.  
Cause she likes  
Church, bingo chances, old time dances.

All my life I spend the night,  
with dreams of you.  
And the warmth I missed,  
and for the things I wished,  
they're all coming true.

I've got my love to give  
and a place to live,  
guess I'm gonna stay.  
It'd be a peaceful life,  
with a forever wife,  
and a kid someday.

Well, it's early nights,  
and pillow fights,  
and your soft laugh.  
Oh, fantasy world and Disney girls,  
I'm coming back.
