

Nobody knows the way I'm feelin  
I try to scream instead I smile  
The world is strange  
I must be dreamin  
How can I stop this just for a while  
The morning rain will soon be falling  
But I don't care cause I've already cried  
Can't see the meaning of this  
But one things certain  
I'm afraid I'm loosin my mind  
Somebody else will be her boyfriend  
Somebody else will have her heart  
But still I love her so  
How could I let her go  
I was foolin myself

The sky is blue and birds are singing  
The sun does shine  
And kids are playing game  
What have I done  
What was I thinking  
The only thing to do is hiding shame  
Somebody else will be her boyfriend  
Somebody else will have her heart  
But still I love her so  
How could I let her go  
I was foolin myself

Somebody else will be her boyfriend  
Somebody else will have her heart  
But I still need her so  
How could I let her go  
I was foolin myself  
I was foolin myself
