

Into A Fantasy

Alexander Rybak

I have a dream You are there
High above the clouds somewhere
Rain is falling from the sky
But it never touches you
You're way up high

No more worries, no more fears
You have made them disappear
Sadness tried to steal the show
But now it feels like many years ago

And I, I will be with you every step
Hey! Hey!
Tonight, I found a friend in you
And I keep you close forever

Come fly with me
Oh woho! Oh woho!
Into a fantasy
Oh woho! Oh woho!
Where you can be whoever you want to be
Come fly with me

We can fly all day long
Show me the world
Sing me a song
Tell me what the future holds
You and me - we paint it all in gold

And I, I will believe your every word
Hey! Hey!
Cause I, I have a friend in you
We'll always stay together

Come fly with me
Oh woho! Oh woho!
Into a fantasy
Oh woho! Oh woho!
Where you can be whoever you want to be
Come fly with me

Hey!
And I, I will be with you every step
Tonight, I found a friend in you
And I keep you close forever

Come fly with me
Into a fantasy
Where you can be whoever you want to be
Come fly with me!
Come fly with me
Oh woho! Oh woho!
Into a fantasy
Oh woho! Oh woho!
Where you can be whoever you want to be
Come fly with me
Hey!
