

# Roll With The Wind

Alexander Rybak

I won't blame the hurting on you  
You left in the sweetest way  
I won't say that it's you  
Making me feel this way  
It's the heart and the soul and the body and the brain  
Driving me insane  
But the wind and the land and the fire and the rain  
Always stay the same

I wanna roll with the wind  
Bringing distance to everything  
I, oh  
I wanna sit by the fire  
And glance at the pouring rain  
I, I

I won't claim it's all cause of you  
I guess that I played a part  
It's just that I never knew  
I'd fall for you from the start  
There's a hole in my heart and a picture in a frame  
Driving me insane  
But the wind and the land and the fire and the rain  
Always stay the same

I wanna roll with the wind  
Bringing distance to everything  
I, oh  
I wanna sit by the fire  
And glance at the pouring rain  
I, I

I would never blame you for the heartache  
I would never blame you for the tears  
I blame my stubborn heart, soul, body  
Every single thing around me stays the same  
No matter what

I wanna roll with the wind  
Bringing distance to everything  
I, oh  
I wanna sit by the fire  
And glance at the pouring rain  
I, I

I wanna roll with the wind  
Bringing distance to everything  
I, oh  
I wanna sit by the fire  
And glance at the pouring rain  
I, I
