From the Heart of an Angel

Alexander

Oh my Angel, years may come and years may go
Be my angel
Oh angel, Irll never, never let you go
Be my angel
If I hold you tonight- would I lie to you
If I promise my heart- my dream come true, tonight

Courus: From the heart of an angel Where the sky meets the heaven To the end of a journey On the wings of Love From a heard with emotion To the deepest devotion Fron the heart of an angel I can't get enough Oh my angel yourre the light- that guides my way Be my angel Oh angelbut therers one thing I will say Be my angel Oh Irm livingmy life in an ocean of love And Irm staying with you a hundred years Are not enough, my love Chorus 2x
