

Take Me Tonight

Alexander

Oh baby,
when I look into your eyes, feels good to me
and it feels like paradise like fantasy
baby you're my angel, my guardian angel

Oh memories, I feel it in my heart,
I feel it in my soul
We'll never ever fall apart, don't let me go
Baby you're my angel
And you know, that time will show

Take me tonight, anything is possible
Time's on my side, the world is beautiful
I'll take my chance
My dreams are coming true
Tell me you're mine
Oh babe don't make me blue
And I know for sure uuh
I will never let you go

Oh baby, if we can't be lovers let me be your friend
Take me in your lonely arms don't let it end
Baby you're my angel, my guardian angel.

I'll be there if you ever miss me darling
I'll take care, you're always in my heart oh baby, I swear
Baby you're my angel
Ohh, if you need me I'll be there

Take me tonight, anything is possible
Time's on my side, the world is beautiful
I'll take my chance
My dreams are coming true
Tell me you're mine
Ohh babe don't make me blue
And I know for sure,
Mhh I will never let you go

Take me tonight, anything is possible
Time's on my side, the world is beautiful
I'll take my chance
My dreams are coming true
Tell me you're mine
Oh babe don't make me blue
And I know for sure, uuuhh
I will never let you go!
