

# Take Me Tonight

Alexander

Oh baby,  
when I look into your eyes, feels good to me  
and it feels like paradise like fantasy  
baby you're my angel, my guardian angel

Oh memories, I feel it in my heart,  
I feel it in my soul  
We'll never ever fall apart, don't let me go  
Baby you're my angel  
And you know, that time will show

Take me tonight, anything is possible  
Time's on my side, the world is beautiful  
I'll take my chance  
My dreams are coming true  
Tell me you're mine  
Oh babe don't make me blue  
And I know for sure uuh  
I will never let you go

Oh baby, if we can't be lovers let me be your friend  
Take me in your lonely arms don't let it end  
Baby you're my angel, my guardian angel.

I'll be there if you ever miss me darling  
I'll take care, you're always in my heart oh baby, I swear  
Baby you're my angel  
Ohh, if you need me I'll be there

Take me tonight, anything is possible  
Time's on my side, the world is beautiful  
I'll take my chance  
My dreams are coming true  
Tell me you're mine  
Ohh babe don't make me blue  
And I know for sure,  
Mhh I will never let you go

Take me tonight, anything is possible  
Time's on my side, the world is beautiful  
I'll take my chance  
My dreams are coming true  
Tell me you're mine  
Oh babe don't make me blue  
And I know for sure, uuuhh  
I will never let you go!
