

# There Is No Good in Goodbye

Alexander

Tears fall, times called  
sunsites in your heart  
the games lost, the spinning world stops  
you say the course has been run  
and that the end has now come  
please don't mean it's over 'cos there's.....

... no good in goodbye  
let's dry our tears and give this love just one more try  
there's so much history  
don't throw it away  
cause tomorrows a brand new day  
stay with me

Dreams die, the crow will fly  
a kiss can't last all night  
the moon sinks and for my last wish  
you and I share this heart  
please don't tear our dreams apart there's.....

... no good in goodbye  
let's dry our tears and give this love just one more try  
there's so much history  
don't throw it away  
cause tomorrows a brand new day
