Alexandra

I don't want to start without you

Hey...

Eh, hey, I'm like a beast

Eh, hey, I'm like a beast

DJ drop the record, Imma start a stampede

He drop the record, I start a stampede

Eh, boy, I push it out

Eh, boy, I push it out

Fire, move my body like a merry-go-round

Front to the back, I'll make you go round

Get like me

Get on the dancefloor

Get like me

(Don't want to start without you)

Oh, here I go, drip droppin' way down low

You're 'bout to miss

Winding to this

Don't make me start without you

Oh, here I go, you're moving way too slow

I'm coming up

Put down your cup

Don't make me start without you

Eh, boy, way that I move

Eh, boy, way that I move

Body like a weapon that'll make you go boom

Get like a drum I'll make you go... boom

Eh, boy, oi where you at?

Eh, boy, oi where you at?

You're the only one and I'm all on my back

The only one I want on my back

Get like me

Get on the dancefloor

Get like me

(Don't want to start without you)

Oh, here I go, drip droppin' way down low

You're 'bout to miss

Winding to this

Don't make me start without you

Oh, here I go, you're moving way too slow

I'm coming up

Put down your cup

Don't make me start without you

Get like me

Get on the dancefloor

Get like me

Get on the dancefloor

Oh, here I go, drip droppin' way down low
You're 'bout to miss
