

What Money Can't Buy

Alexandra Burke

Can't sleep
Too many tears too remember
Can't believe it's this close to December
And here I am
Alone in the dark
Silently missing you so

I'm tired of pretending I don't love you
When your with me in everything that I do
And there you are so dear in my heart
And still I just can't let you go
That's why I came here, so you know

That I don't wanna live
If livings without you
And that I would give my all
Just for one more day
Don't tell me it's over
Coz for me it has just begun
Baby please let's give us one more try
I can give you what money can't buy

If you let me be there
Every moment beside you
Feel love and let feelings just guide you
Trust in me and you'll never be hurt
Coz I'll keep you safely you know
That why I came here so you know

That I don't wanna live
If livings without you
And that I would give my all
Just for one more day
Don't tell me it's over
Coz for me it has just begun
Baby please let's gives us one more try
I can give you what money can't buy

It's not about money, no
I'm so tired of pretending I don't love you
That's why I, I just can't let you go
That's why I came here
To let you know

That I don't wanna live
If livings without you
And that I would give my all
Just for one more day
Don't tell me it's over
Coz for me it has just begun
Baby please let's gives us one more try
I can give you what money can't buy
Can't sleep
Too many tears too remember
Can't believe it's this close to December
