

Without You

Alexandra Burke

Don't make me start without you...
I don't want to start without you
I don't want to start without you

Hey...
Eh, hey, I'm like a beast
Eh, hey, i'm like a beast
DJ drop the record, Imma start a stampede
He drop the record, I start a stampede
Eh, boy, I push it out
Eh, boy, I push it out
Fire, move my body like a merry-go-round
Front to the back, I'll make you go round

Get like me
Get on the dancefloor
Get like me
(Don't want to start without you)
Oh, here I go, drip droppin' way down low
You're 'bout to miss
Winding to this
Don't make me start without you
Oh, here I go, you're moving way too slow
I'm coming up
Put down your cup
Don't make me start without you

Eh, boy, way that I move
Eh, boy, way that I move
Body like a weapon that'll make you go boom
Get like a drum I'll make you go...boom
Eh, boy, oi where you at?
Eh, boy, oi where you at?
You're the only one and I'm all on my back
The only one I want on my back

Get like me
Get on the dancefloor
Get like me
(Don't want to start without you)
Oh, here I go, drip droppin' way down low
You're 'bout to miss
Winding to this

Don't make me start without you
Oh, here I go, you're moving way too slow
I'm coming up
Put down your cup
Don't make me start without you

Hear it out, push it out
watch it how she work it out
pop a couple of bottles drink it like its a never out
i already know from rub a dub with the club
don't start without me i just got in the club
you steal the show no competition
you had an instinct before the invention

drop a bomb like ya give me amnesia
shakey shakey shakey like your booty got a seizure
Take it down
propeller, she windin windin wind
i'm impressed i'm behind behind behind
oh she know what to do
drop a bomb and missile that make you go BOOM!

Get like me
Get on the dancefloor
Get like me
Get on the dancefloor

Oh, here I go, drip droppin' way down low
You're 'bout to miss
Winding to this
Don't make me start without you
Oh, here I go, you're moving way too slow
I'm coming up
Put down your cup
Don't make me start without you
Oh, here I go, drip droppin' way down low
You're 'bout to miss
Winding to this
Don't make me start without you
Oh, here I go, you're moving way too slow
I'm coming up
Put down your cup
Don't make me start without you
